

National – The Dawn of Wisdom

Good Gentles of Avalon, an Invitation to Celebrate!

The Royal Academy of Arcane Arts and Sciences is pleased to extend the invitation of the People of Shimez to come celebrate the Day of Resolution on the Twenty-First day of the month of November. There, the gathered People shall perform The Calling of the Great River and look forward to learning about our customs and traditions while sharing their most important holiday with those who make the great journey.

The Royal Academy shall make available a standing Gate on the shores of Lake Hollym at Mages Point that will whisk travelers across the breadth of our world to a lone Evendarrian Garrison in the far flung lands of Shimez, a continent little known and storied in the halls of learning of Avalon. We hope many will take this historic opportunity to learn of the lands and people of that mysterious place.

Come one and all to the Day of Resolution and experience the dangers and excitement of Shimez!

Out of Game Announcements

It is our pleasure to announce the 1-day National event at Camp Harrington for Saturday November 21, 2009!

1. The cost for the event will be \$45 for the day to PC (free to NPC).
2. The price of a New Player Pack is currently \$40 and this includes a 1-year NERO membership, a NERO rulebook, and one free event.
3. While there is no additional fee for payments received at door, such payments must be made in cash and we would greatly appreciate it if you would pre-register at <http://nerovolta.com/preregister.htm> so that we know you are coming.
4. There is no food service at Camp Harrington so please plan accordingly – there are sandwich shops, pizza places, and convenience stores a few miles down Route 140 South in Shrewsbury Center. Alternatively, if people want to bring grills and food they are welcome to do so (no open unattended flames allowed for fire safety/insurance reasons). Two outdoor propane grills and grill cleaners are available for use at the lodge (provided by the camp) but must be appropriately cleaned if used. All fires must be properly extinguished.
5. Players are welcome to arrive at Camp Harrington any time after 8 AM. We will start the event at about 9 AM and end around 9 PM with event clean-up occurring between 9 PM and 10 PM.
6. Please park your cars in the lot at the entrance to the Center. You may load and unload vehicles at the lodge, but they should be returned to the parking lot so that a smooth flow of traffic can be maintained and to ensure access to all areas for emergency vehicles.
7. Smoking is not permitted in any of the Camp Harrington facilities. If you must smoke, please do so outside, away from the buildings and other guests and dispose of butts. Do not leave cigarette butts on the ground.
8. All players will be using the main lodge as the in-game staging area for the event. The main lodge has multiple bathrooms, kitchens, and meeting areas. Please keep all areas as clean as possible to minimize event clean-up. A map of Camp Harrington is available at <http://nerovolta.com/images/outdoorcentermap.pdf>.
9. The ropes courses, waterfront, and climbing tower are off-limits to all attendees.

Please feel free to contact me at aelbirt@nac.net with any questions.

Best,
